MIDWEST STANGS

Our car club respects and salutes Mustang enthusiasts and owners. We have a laid back and enjoyable atmosphere where members can meet new people, be a part of the ever growing prestigious club, and be respected by fellow 'Stangers across the Midwest. Why not join our cause?

How can you help? You can make a financial contribution to our club or you can offer our members discounts on merchandise you sell or services you offer. Either way your donation will aide in keeping this club in place for a long time to come.

Financial donations are used to help keep the website online and help fund various club sponsored activities. Discounts on merchandise and services allow our members to provide you with additional business.

In return for your generous support we will include your company's logo on our website, include a description of your business and even provide a link back to your business so that anyone who visits our site or joins our club can take advantage of your services. In addition, you can say that you are affiliated with an ever-growing club which supports the Mustang and performance industry.
